26 Crowndale Road

London NW1 1TT

Scene & Heard is a unique mentoring programme that partners the inner-city children of Somers Town, London with volunteer theatre professionals, to give them an experience of quality one-on-one adult attention and to enable them to write and perform their own plays. The children we work with are marginalized through poverty, refugee status, special learning and educational needs and through speaking English as a second language. The fundamental purpose of the project is to boost the self-esteem of these children through a personal experience of success and theatre is used because that success is both immediate and public.

Scene & Heard is a registered charity no. 1077836
